Through services are shown in bold type (this means you won't have to change trains). Connecting services are shown in light type. ## Minimum connection times

All stations have a minimum connection time of 5 minutes unless stated. Preston 8 minutes.

## Community Rail Partnerships and community groups

We support a number of active community rail partnerships (CRPs) across our network. CRPs bring together local communities and the rail industry to deliver benefits to both, and encourage use of the lines they represent.
